

## **Thorbahn supports New England Conservatory**

February 26, 2011

Thorbahn is a proud sponsor of New England Conservatory's annual Feast of Music Gala. The event takes place on February 26, 2011 and is sure to be an evening of fantastic performances by NEC students of jazz, opera and classical music. At this year's event, NEC is paying special tribute to the United Kingdom and its distinctive flair for music, culture, and New British cuisine, all to benefit the General Scholarship Fund at the conservatory.

We are honored to partner with our valued client, New England Conservatory on this wonderful event! Checkout NEC's website and our sponsorship page to learn more about the event:
